

Clark's on Clark Closing this Weekend

Chicago, IL - After 19 years, Clark's on Clark will celebrate it's final last call on Sunday night Jan. 28.

At 4 a.m., the staff and owners will bid farewell to the customers, family and friends that have made Clark's successful over the years.

"I'm proud of Clark's and what we have become in the community," said owners Larry Belgrow and Gary Werle. "Our staff has made Clark's one of the community's most popular destinations for afternoon and late-night crowds."

The owners added, "Our goal from the beginning was to provide a fun and casual atmosphere for our patrons. In that philosophy, we have celebrated special occasions and advances for our rights and also had the sad honor of hosting countless memorial services for both staff and customers. We have helped community organizations by hosting fund-raisers and have had the distinct pleasure to welcome new friends through our different sports teams: bowling, pool, softball and darts."
