

Chicago's Nightlife Blasts Off with NITRO

New Monthly Party Continues with Grammy award winning DJ PETER RAUHOFFER at Circuit Night Club, 2.02

Chicago, IL - Nightlife Unlimited in conjunction with VisuWil continues NITRO, a radical new night of indulgence, Saturday, March 31st, with "In the Garden of Good & Evil."

Producer, remixer, DJ, and owner of the *69 label, Peter Rauhofer headlines the garden-themed party featuring good vs. evil dancers and heavenly hosts vs. devilish divas. Featuring a stage performance by Actor/Gothic Illusionist, Ron Fitzgerald, presenting an innovative blend of dramatic illusion, alternative music, and outrageous audience participation that combines all the style of a theatrical event with the power of a rock concert. Miss Fozzie hosts with performances by Cyan Flare. Guests can enjoy cocktails featuring Absolut Pears, the latest flavor from Absolut Vodka.

The night celebrates the release of Rauhofer's latest CD "I Love Miami" on his *69 label.

FusionRadioChicago.com broadcasts live beginning at 10:30pm with DJ Hugo.

NITRO delivers an explosive entertainment experience monthly with top DJ talent, stunning go-go dancers from Rentboy.com, ChicagoBeef.net and exotic body painting by GenerationTats.com. The night is perfectly orchestrated by VisuWil, an organization devoted to innovative events and creative concepts.

The spectacular event is complimented by the stylish and sizeable Circuit Night Club. One of the hottest clubs in Chicago, Circuit offers plenty of room to dance the night away while surrounding patrons with mind-blowing sound and lights.

"Circuit 2.02 is excited to host NITRO as we continue our reinvention of nightlife in Chicago, all in an environment that fosters diversity," said Mike Macharello, Circuit co-owner.

Despite Mother Nature's own ice storm last month, NITRO opened with the successful and appropriately themed "Ice Ball" featuring DJ Junior Vasquez.

NITRO takes place at Circuit Night Club the last Saturday of every month at 10pm and always features the hottest DJs and entertainment. Circuit is located at 3641 N. Halsted. For more information visit www.n2-nitro.com.
